CORRECTIONS

Tinklepaugh AJ, Wilson BB. Pityriasis folliculorum: A novel therapy for a diagnostically challenging condition. *J Am Acad Dermatol* 2013;69:e276-7.

In the article above, the author order appeared incorrectly. The first author is Adam J. Tinklepaugh, MD, and the second author is Barbara B. Wilson, MD. The correction has been made to the online version of the article.

Elewski BE, Rich P, Pollak R, Pariser DM, Watanabe S, Senda H, et al. Efinaconazole 10% solution in the treatment of toenail onychomycosis: Two phase III multicenter, randomized, double-blind studies. *J Am Acad Dermatol* 2013;68:600-8.

In the article above, there was an error in Fig 1. The total number of patients who completed treatment with efinaconazole and vehicle in Study 2 should have read N = 498 (85.4%) and N = 160 (79.2%), respectively. The correction has been made to the online version of the article.
